

Workshop “Addressing territorial challenges with transnational cooperation and macro-regional strategies”

Venue: PALAZZO LOMBARDIA, Piazza Città di Lombardia, 1, MILAN - Room Falcone, 11th floor. For info on location: <https://www.forumeusalp2019.com/Location.aspx>

Date: 29 November 2019, 8.45-10.15

Objective: The Workshop objective is to provide information to the meeting participants on how transnational cooperation can contribute to address territorial challenges specific for the Alpine Area (e.g. climate change impact and transport connectivity). More specifically, the Workshop aims at sharing with the meeting participants concrete examples on how current transnational cooperation tools such as Macro-Regional Strategies, Interreg transnational/cross-border programmes and the European Grouping of Territorial Cooperation (EGTC) contribute to address the Alpine specific territorial challenges. The meeting participants are invited to share also their experiences with the use of these tools.
